Hanne Albrechtsen

Risoe National Laboratory, Denmark

Jens-Erik Mai

University of Washington, USA

Nuno Guimarães

Universidade de Lisboa, Portugal

Gert Fieguth

Fachhochschule Kehl, Germany

Wendy P. Lougee

University of Michigan, USA

Workshop Background and Goals

The Digital Library field is an evolving one. New developments appear every day in the area and within related areas. This workshop intends to focus in application areas following the ICEIS interest to join university level research to company implementations.

This workshop will serve as a forum to gather researchers, practitioners, students and anyone that works or studies the field. The workshop will expose new developments, and hopefully provide exchange of ideas and discussion on specific areas.

The workshop won't be finished when it ends - a web site will be created to continue gathering people, conveying information and discussing ideas on Digital Libraries topics.

Topics of interest include, but are not limited to

- Software Agents
- Metadata Issues
- Digital Library Prototypes
- Systems Interoperability
- Evaluation Issues
- Searching and Browsing
- Multimedia Libraries
- Digital Library Development Frameworks
- Studies of Digital Library Usage
- Practical Results from R&D Projects

Format of the Workshop

The workshop will comprise of invited talks and oral presentations. The proceedings of the workshop will be published in the form of a book.

Submission of Papers

Prospective authors are invited to submit papers for oral presentation in any of the areas listed above. Only full papers in English will be accepted, and the length of the paper should not exceed 10 pages (5000 words). Instructions for preparing the manuscript (in Word and Latex format) are available at the ICEIS web site (see below). Postscript/RTF versions of the manuscript should be sent electronically to the workshop secretariat (see e-mail below).

Important Dates

Full Paper Submission: **10th January 2001**

Author Notification: 15th March 2001

Final Camera-Ready Submission and Registration: 5th April 2001

Conference Location

The workshop will be held at the Escola Superior de Tecnologia of the Polytechnic Institute of Setúbal. Setúbal is located at the south bank of Tagus river, about 50 km from Lisbon.
